A MESSAGE FROM OUR LEADERS:

At Kenneth Young Center, we strive to serve people throughout life's journey. From children to seniors, individuals to families, our commitment is to provide quality mental health and older adult services that support body and soul. For forty-six years, we have been proud to serve the northwest suburbs to help people feel good, do better, and find solutions. This is who we are.

WE'RE GROWING. Since 1970, we have been committed to providing community-based services to the most vulnerable in our society. We've added many services since then, most recently expanding into providing support services to clients living in permanent supportive living developments. Already supporting Myers Place residents in Mount Prospect, this fiscal year we committed to also serve the residents of PhilHaven in Wheeling. With more than 57,000 square feet of housing space, PhilHaven promises residents a safe and independent living community with onsite programming and wellness initiatives to provide people with disabilities a safe and supportive home.

WE'RE CHANGING. Part of growing is evaluating where our greatest needs are and how we can meet them. After thirty-four years of operation, we closed our Resale Shop in Schaumburg. Countless volunteers, donors, partners and friends celebrated and supported this vibrant part of Kenneth Young's history and made the shop a beloved part of the community. We're thankful for all those who frequented and supported our Resale Shop and eager to find new ways to enrich our mission.

WE'RE READY. With the leadership of a dedicated Board of Directors and outstanding staff, Kenneth Young Center is looking to the future ready to expand our support to our communities. The following pages outline this year's success, detailing information from July 1, 2015 to June 30, 2016. Our clients and families are making strides to maximize their independence and health because of supporters like you.

Warm regards,

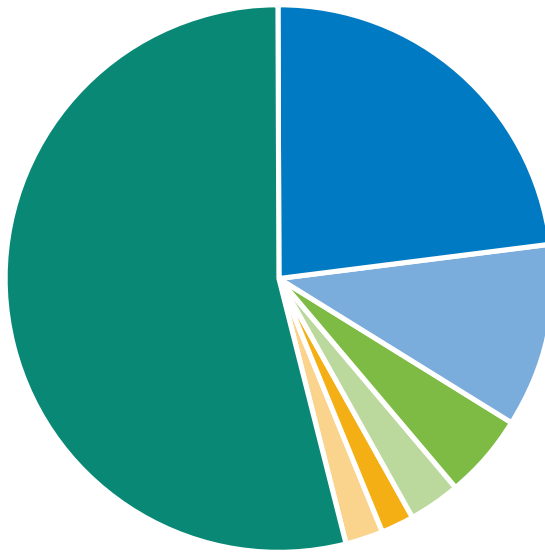

Susan E. Cowen
President and Chief Executive Officer

Ali Faraj
Chairman of the Board
