Adopt a Family

Want to Participate in KYC's Adopt a Family Drive?

Each holiday season, KYC organizes an Adopt a Family drive to provide their clients with the highest needs with extra support and holiday cheer.

Become a Captain

Captains are the key point people at each corporation, church, family, or community group who volunteer to organize their group's participation. Captains work with KYC staff to choose the kind of drive they will hold and recruit individuals from their group to participate. We ask that Captains deliver collected gifts or items to KYC by December 6, 2019 or work with KYC staff to schedule a pickup.

How it Works

There are two ways that your group can choose to participate. You can choose to purchase gifts for an individual client (each gift totals \$25 to \$50), or you may choose to organize a general gift or basic needs drive.

- **If you choose to adopt individuals, KYC will provide you with as many client wish list tags as you request.**
 - ◇ **Make tags available to group members who would like to participate.**
 - ◇ **Collect the gifts. Gifts are requested to be wrapped in gift bags.**
- **If you choose to organize a general gift drive or basic needs item drive, please work with KYC staff directly to determine the kinds of items you plan to collect.**
 - ◇ **Designate a collection spot for participants to drop off their gifts or items.**

If you are interested in becoming a Captain, please email Jessica at jessicaw@kennethyoung.org to get started.
