BUILDING HEALTHIER COMMUNITIES TOGETHER

Join the Shell-ebration for the Health of Our Communities.

Kenneth Young Center (KYC) provides critical behavioral health support, older adult services, and community health programming with the help of generous community partners. Through your support of KYC's 5K, you reach a targeted local audience, building brand awareness and highlighting your corporate responsibility. Fostering good will with our donor base, clients, and community, your sponsorship generates a dual benefit of creating marketing exposure and providing community service. Each sponsorship includes strategically integrated benefits to create visibility and a tax deductible contribution for your support of KYC. This year's 5K event will be a tropical beach party that's *shore* to make a splash for our communities. Whether you participate virtually or join us in person, we look forward to celebrating the work we do together to help local people thrive.
