Becoming a KYC event sponsor offers business partners the unique opportunity to support a meaningful, community-based non-profit serving clients from ages 3 to 105. Through your generosity, you reach a targeted local audience, building brand awareness and highlighting your corporate responsibility. Fostering good will with our donor base, clients, and community, your sponsorship generates a dual benefit of creating marketing exposure and providing community service. Each sponsorship includes strategically integrated benefits to create visibility and a tax deductible contribution for your support of KYC.
